**High School
Chatter....**

Hi! We are back again to let you know what's happening at A. H. S.

A. H. S. has really started the baseball season off with a bang! With a fighting team, we have marked up six victories with only two defeats. A. H. S. was the victor Tuesday night over Altaville, by a score of 13 to 2. Our next game is with Albemarle Friday, April 29.

For the social highlights - if anyone wishes to know whether or not the movie was good - Friday night, just ask Charlie and June, or Glenn and Tom. At the show Saturday night were: Fetta and Jimmy, Eulalia and Beryl, also Enid and Mott.

Hear ye! Hear ye! Anyone wishing to learn how to swim may go to Holliday Lake every Monday afternoon, where Mr. Bragg will give swimming lessons. He will also be recreational director at the school playground every day, and will teach those who wish to learn how to play tennis.

A magician presented a very interesting show at the school Wednesday.

Ah, it's good news tonight - Dick now has a station wagon. Yipe! Now we have a way to go to baseball games.

Hope you're in a guessing mood, cause here is our "who is it?" for the week. This cute, 5' 4" girl is in the eleventh grade - she has brown hair and green eyes - She is secretary of the eleventh grade - a member of the Spanish Class - a wonderful guard on the basketball team of the 3rd period physical education classes - we're not up to date on her heart-throb but we think it's still B. C. Her favorite song is "Forever and Ever." That's enough clues for now.

Is your name painted on your box? Do you use the box number assigned you by your carrier? Is the box at the correct height so the carrier can reach it easily? Do you have the correct flag device on the box, or do you hang a piece of paper, a leaf or a twig out of the box as a signal? Is the approach of the box smooth, or is it a long deep rut?

Do you stamp all your first and third class mail?

The better and more prompt service that the carrier can give you when you use the open-front end-type box placed at the correct height, with a good level approach, will more than counterbalance the small amount of cash and trouble it will cost you, and the carrier will appreciate it every day of the year.

**Edwards Makes
Statement On
Sales Tax Plan**

State Senator Chas. T. Moses yesterday released a statement from Hon. Horace E. Edwards, candidate for Governor in the August 2 primary election, in which Mr. Edwards clarified his stand on a proposed state sales tax to finance a school program, as it would apply to farmers. He Edwards said:

"Naturally there must be a fair exemption for farm machinery, seed and feed and fertilizer, etc. They are the farmer's raw materials for manufacture."

Senator Moses added that he felt that this assurance would appeal to farmers. Mr. Moses is actively supporting the candidacy of Mr. Edwards.

The golden blossoms add much to the beauty of the town, and planted now will be in bloom for next April's dedication of the McLean House, an event which should attract national attention.
